### **Order of Business/Points of Discussion:**

- What worked vs. What didn't
  - Good events
  - Do gala every year and invite professors
  - Flowers were good, \$131 in profit from capstone
  - Good DSAC promotion
  - Be consistent about DSAC after all majors meeting
  - Weekly emails are good and switching off who sends them worked
  - New schedule for emails
  - Class reps should get word out about events
  - Overall DSAC has gotten stronger this year
  - Promoting meetings could improve
  - Meeting times are difficult
  - Make freshmen feel welcome and invited to DSAC meetings
  - Money did not work: wrong account, hard to keep track of, maybe separate account, asking for invoices sooner, open account at bank under dance budget, Madeline Harvey, or Emily Morgan's name (not Sofa)
    - Or madeline (p-card)
  - Apparel was successful, t-shirt design was not great but not bad, work on copyright
  - Snack locker is going well
  - Cubbies near water fountain for snacks or guest storage
  - Leave cubbies in locker room
- Advisor

- We could ask another faculty member to be advisor next year
- Possibly ask all professors if they are willing to be advisor, rather than directing toward one professor
- Either Madeline or Grace
- Grace: good organization, new ideas, and good to get DSAC out there
- Vote: Grace, email her and let Madeline know
- New ideas
  - Back to school event, without professors, maybe picnic at the UCA, after auditions
  - Halloween event like trunk or treat, maybe bring up to SMTDSAC, advertise all over
- Freshmen Rep Applications
  - Announce at dance majors meeting and email
- Meet over summer with Madeline
