Visit and Audition Day

- Mixer
 - 6:30-8
 - Paying for food and when we decided to run this
 - We are here to support students and peers, not necessarily prospective students
 - Possible reframing to dessert instead of dinner, because of break in schedule and cost of dinner vs. dessert
 - Need to consider what has already been communicated to them
 - Reach out to Emily about this change
 - Games
 - Friendship bracelets
 - Unpopular opinion (agree or disagree)
 - Craft

Common Areas

- Need to clean microwave and fridge
 - Sierra volunteers for microwave
 - Camryn volunteers for fridge

Finance

- Bank account is not approved
- Check on P Card certifications
- Chipotle fundraiser
 - Certain number of people need to go, or else we won't get money
 - Saturday
 - Could form it into a mixer
 - Could we deposit check into SOFA if it is out to DSAC? Possible change to Ellie or Sierra's name and then deposit into SOFA from there
- Projected to make \$532 in profit for apparel
 - Could we do CSU Dance Engagement shirts through DSAC?
 - Use preexisting design and add engagement
- Sierra did spend money for flower sales

Weekly Email

- Certain resources might be repeated
- We could create a document for resources and keep it updated to current things
- Dance department or just DSAC could have website so that we have all resources in one place, instead of lots of emails and flyers
 - QR codes so it is more accessible
 - Sponsors on website or selling ads in program

Gala

- \$250 for Lyric
 - Could be more if the date is a weekend instead of weekday
- Last year we did it on April 30th, in between Spring Dance Concert and Capstone
- Themes
- Maybe go check out space
- We could turn it into a fundraiser and charge \$5 for tickets

Expectations

- We get asked to do a lot, with not much support in return
- New ways to inform people about meetings
 - Incentive like punch card
 - Have professors announce to class
 - Individually ask professors, so there is a bigger chance of message getting across
- How should we try to meet with Emily Morgan?
 - Scheduling is tough
 - Include her when possible

Events

- Is it possible?
- Maybe December 3rd instead
 - 2:30 or 3:30 start time
 - Sleepover Lock in with movie
 - Are we allowed to stay overnight?
 - Have professor emergency contact
 - Pajama pageant
 - Different Events in studios and throughout the night
 - Lights to set up
 - No leaving after doors lock
 - Talking to Emily and risk management
 - Leave at 11 when doors lock if not spending the night
- Party closer after Fall Concert?
 - Peoples' families are here
- Holiday spirit week
 - Holiday socks
 - Pajama day
 - Which week would be best? Before event or capstone week?
- Make November 18th meeting on Zoom
 - Discuss details about event

Flowers

- Ellie is mostly taking over for capstone
- We could ask for free or discounted flowers

- We could offer to put ads in program or on table

Concert

- Choose restaurant to go to in between shows and invite everyone

Snack Locker

- What's going on?
- How could we do funding?
- Take and leave what you can
 - Piece of furniture in hallway, near fridge, or by water fountain

Birthdays

- Posting birthdays seems too much and not achievable

Holiday Grams

- If they're delivered at the event, there would be increased attendance
-
