 - We'll make selections and then bring them to the faculty
 - Have we revised Emily's changes?
- Abby is sending out order forms for apparel at the beginning of October so we will have it before thanksgiving break
 - Shorts? We are on the hunt for cheaper shorts. Might sell both options and offer cheaper options for running shorts if in stock.

 - One week turn around. Do we need two? Let people know before the form comes out, include in the weekly email
 - The form needs to be turned in by the deadline to make the order but if they have a money issue we could possibly work something out and get money later as long as we are on top of it?
- Virtual suggestion box included in the weekly emails and reminder that there is an actual suggestion box

 - Could it become an annual event?
 - For the first "trial run" maybe we just keep it as a student audience and then maybe in the future we open it up to the public
 - Donations from the other SACs
- Dance Lab Scholarship
 - We will write it up sometime this semester
 - Wave 50 dollar registration fee
 - Student fee review board (really important!) - we need SMTD students in this student body to advocate for the Arts

- Revising the handbook
 - Revising the one piece per concert piece and relieving confusion about having pieces in the showcase and other events

- Have we heard from the students about the new rules for adjudications/evaluations?
 - It is so much easier for auditions
